Interview with Tariq Ali, 'The World Today', teleSUR English online, 24 January 2012

I have regularly lectured to conferences of school students on Russian and Soviet history.

I featured as a 'talking head' in the two-part series on the Russian Revolution made by MBC Television in South Korea in 2007; also in another two-part series on the Russian Revolution, shown on Channel 5 in March 2005. In the more distant past, I have served in a similar capacity: e.g. the BBC Timewatch programme *Lenin: the Secret Files*, November 1997.

I was the historical expert interviewed for two radio programmes on the Russian Revolution of 1917 broadcast to the Russian Federation by Radio Liberty (April 1997). My book on the Russian Revolution was the subject of a feature on a community radio

station

(ckut 90.3 fm, ckut.ca) based in Montreal, Qc, Canada.
